

APRIL 25, 6-7 P.M.

COMMUNITY NUTRITION AMBASSADOR PROGRAM INFORMATION SESSION

Join us to learn about our new Ambassador Program!

The Food Trust is recruiting volunteers who are interested in becoming Community Nutrition Ambassadors. This special group of volunteers will work with The Food Trust to help advance our mission to ensure that everyone has access to healthy, affordable food and support teaching children and adults about good nutrition and physical activity. Ambassadors may work in a variety of settings throughout the Philadelphia region and Camden, NJ, including supermarkets, corner stores, farmers markets and schools.

- ✓ Ambassadors will help community members learn to make healthier choices through Food Trust programs that teach healthier food shopping and preparation methods, and share recipes and ideas for healthier living.
- ✓ Ambassadors are expected to volunteer approximately 20-30 hours every three months. Assignments will be made based on available projects and the volunteers' interests and availability.

Join us to learn more about the Ambassador Program — and other volunteer opportunities at The Food Trust — during this one-hour information session at The Food Trust's headquarters, [1617 John F Kennedy Blvd, Suite 900, Philadelphia.](https://www.thefoodtrust.org/1617-John-F-Kennedy-Blvd-Suite-900-Philadelphia)
