POSITION SUMMARY
The Food Trust runs farmers markets and farm stands throughout Philadelphia and its surrounding counties. We are seeking a friendly, energetic, committed individual to oversee these farmers market/farm stand operations and lead community outreach efforts. The Farmers Market Associate will ideally live in one of the identified neighborhoods in which the work will take place with the goal of increasing access to healthy, affordable food and nutrition education.

ESSENTIAL FUNCTIONS
• Assist with vendor recruitment, identifying/assessing market locations, market planning, food orders, marketing, and customer outreach.
• Support community engagement efforts related to food access, including focus groups, community conversations and convenings. Identify opportunities for residents and stakeholders to become more involved in the planning and implementation of projects in their community.
• Oversee assigned markets with attention to detail, including: setup and breakdown, interacting with customers and answering questions, operating wireless EBT (food stamps) card readers, handing out Food Bucks coupons, assisting with sales if needed, filling out paperwork.
• Work collaboratively with nutrition educators, assist with cooking demonstrations as needed and encourage customers to participate.
• Interact with farmers and other food vendors at market, including helping them set up, ensuring their sales tables are up to code, and problem-solving as needed.
• Establish and foster relationships with residents, community members/partners and site staff within assigned communities. Attend relevant community meetings/events.
• Support corporate sponsors as needed.
• Schedule, train and support volunteers as needed.
• Complete all necessary administrative tasks associated with the position within communicated timeline. Enter Food Bucks, SNAP, and attendance data into online database.
• Maintain Excel spreadsheets related to Food Bucks, SNAP, attendance and sales.
• Support evaluation within communities as assigned.

WORK ENVIRONMENT
The work environment characteristics described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

1. The noise level in the work environment is usually moderate.
2. Work is primarily conducted at community sites that will require travel on a regular basis.
3. Programming will frequently occur outside, including in the cold, heat, wind, rain and other weather conditions. Farmers Markets are all-weather, outdoor events. Market Associates are exposed to temperatures common in Philadelphia during winter, spring, summer and fall. Some tented shelter is available from the sun and rain at all markets but at times exposure is unavoidable while working at a farmers market. Market Associates are expected to check the weather and dress accordingly since temperatures can vary widely from start to finish of market.
4. Air quality and noise depend on location. In general, air quality in Philadelphia can be poor on the hottest and most humid days of the year.
5. Lighting is very good for most of the year and adequate at a handful of markets towards the end of the season at the end of the day.
6. Position may require occasional trips to attend conferences, seminars, and meetings.
7. Requires working non-traditional hours based on operational needs.
