

## Project Associate (Heart Smarts): Camden, NJ

The Food Trust is a nationally recognized nonprofit dedicated to ensuring that everyone has access to affordable, nutritious food and information to make healthy decisions. Headquartered in Philadelphia, The Food Trust works with neighborhoods, schools, grocers, farmers, and policymakers across the country to develop a comprehensive approach to improved food access that combines nutrition education and greater availability of affordable, healthy food. More information about The Food Trust is available at [www.thefoodtrust.org](http://www.thefoodtrust.org).

### POSITION SUMMARY

The Project Associate will implement approved policy, systems, and environment (PSE) approaches in assigned sites with the goal of increasing access to healthy, affordable food. The Project Associate will also serve as a liaison within assigned communities and is responsible for establishing and maintaining community partnerships, identifying new sites for nutrition education programming, and finding ways to connect our work with other departments at The Food Trust.

The Project Associate will work in collaboration with other nutrition educators in their team to provide nutrition education to reach all ages within the targeted community.

### ESSENTIAL FUNCTIONS

- Throughout the year, provide a variety of effective nutrition education programming utilizing facilitated group dialogue and other evidence-based approaches including, but not limited to: cooking demonstrations, series classes, store tours, community health fairs, field trips and other direct instruction that promotes living a healthy and physically active lifestyle.
- Incorporate policy, systems, and environmental (PSE) approaches, in coordination with nutrition education, to improve the health of the community (e.g., food incentive programs, healthy food marketing and signage, attending food policy council meetings).
- Provide nutrition education lessons and/or training and materials at a variety of sites to reach SNAP eligible participants including but not limited to: corner stores, early childcare sites, educational sites, community centers, and other identified sites.
- Identify sites to host nutrition education classes.
- Conduct outreach to promote nutrition education programs and recruit for upcoming programming.
- Participate in community mapping and evaluation projects in order to better understand and serve assigned communities.
- Attend community and civic group meetings to connect SNAP-Ed program with community needs.

- Identify key community groups and community leaders in order to build productive relationships and promote collaboration.
- Identify community resources that promote food access, physical activity, or healthy eating in order to share with other educators, partners, and participants.
- Identify and facilitate opportunities for cross-programming with other departments at The Food Trust.
- Establish and foster relationships with residents, community members/partners and site staff within assigned communities.
- Use cultural competencies to select appropriate programming resources, taste tests and recipes.
- Collect and report program documentation.
- Responsible for transporting all programming materials to/from programming sites.
- Pick up food for nutrition education programming.
- Participate in region, department and agency meetings/trainings.
- Complete weekly/monthly administrative tasks within communicated timeline.
- Track programming in all required tracking documents including outlook and program tracking table and others as determined by supervisors.
- Lead in the administration of evaluation within communities as assigned.
