

Position Description: Senior Accountant

Position: Senior Accountant	Department: Finance
Reports to: Vice President of Finance	FLSA Status: Exempt
Revised: November 2022	Classification: Regular Full-Time

Position Summary

The Senior Accountant performs essential accounting and financial service functions for the organization. These functions include preparing general ledger entries, developing reports, performing cash management duties, supporting accounts payable processes, assisting with monthly budgeting and financial forecasting, supporting annual audit process and performing payroll processes, as well as improving procedures, analyzing and interpreting data, and working with staff across departments.

Responsibilities

- Prepares general ledger entries by maintaining records and files; reconciles accounts.
- Participates in the month-end close process, preparing related reports and schedules.
- Analyzes information and options by developing spreadsheet reports.
- Performs cash management duties, including preparing bi-weekly bank deposits, and other duties as directed.
- Supports the Accounts Payable areas by inputting data into the A/P system, verifying invoices and preparing invoices for payment
- Assists with the development and maintenance of a rolling, 12-month financial forecasting model.
- Assist with the development and implementation of accounting procedures by analyzing current procedures; recommends changes.
- Assists with the monthly budgetary process which includes reporting and variance analysis.
- Prepares and maintains documentation for the production of standard reporting processes and procedures, and collaborates to develop and improve formal documentation process.
- Assist with report enhancements and modifications, coordinating with other team members as needed.
- Answers accounting and financial questions by researching and interpreting data.
- Supports annual audit process, interacts with auditors to provide timely responses to audit requests
- Performs various payroll entries which includes verifying hours worked, entering hours into system, and submitting payroll.
- Updates job knowledge by participating in educational opportunities, reading professional publications, maintaining personal/professional networks and/or participating in professional organizations.
- Works on special projects as requested and all other duties assigned.

Knowledge, Skills and Abilities

- Understanding of The Food Trust's mission, goals, and objectives and ability to work independently with a high level of energy and contribute as part of a larger team.
- Strong understanding of and ability to perform generally accepted accounting principles, concepts and

practices.

- Ability to research, compile and review financial data and provide analysis and recommendations of trends, budget variations, and other related financial issues.
- Ability to operate a computer and use a variety of common software programs including Microsoft Office (Excel, Word, PowerPoint) and customized databases.
- Ability to organize tasks in an efficient manner and follow-up and follow-through with strong attention to detail in a fast-paced environment.
- Self-directed and motivated, able to manage multiple and complex assignments and meet deadlines both independently and as part of a team.
- Strong written and verbal communication skills
- Possesses strong interpersonal skills as demonstrated by courteous, cooperative, and professional interaction with diverse groups of co-workers, external business partners, vendors, funders and financial institutions.

Experience, Education and Licensure

Minimum Experience: 5+ years of demonstrated experience; demonstrated basic knowledge and proficiency in using Microsoft Office (Excel, Word, PowerPoint), experience with Sage Intacct preferred, and ability to use various other systems as needed; integrity and ethics beyond reproach and a passion for The Food Trust's mission, vision and values.

Minimum Education: Bachelor's degree in finance/accounting
