AN EVENING TO SUPPORT
THE FOOD TRUST

Thursday, May 18 | 6:30-9:30 p.m.

SPONSORSHIP OPPORTUNITIES

Join us as we celebrate The Food Trust!

We can all agree on one simple idea: Everyone should be able to find, afford, and learn about the foods that support our health and bring us joy.

On Thursday, May 18, from 6:30-9:30 p.m., we invite you to join us for **Fresh Picked: An Evening to Support The Food Trust**, a springtime soiree that will bring The Food Trust's mission of *delicious, nutritious food for all* to life. 250 attendees will gather to enjoy a variety of local beers, wines and cocktails, taste a sampling of food truck fare, listen to live music, and participate in a special silent auction — all while celebrating the 30-plus-year evolution of The Food Trust from a small South Philly farm stand to a national organization laser-focused on ending nutrition insecurity for all of our neighbors.

Funds raised through the event will directly support our work to ensure that nutritious food is abundant, people of all backgrounds are nourished and prosperous, and communities are thriving. **We would be honored to count you as a partner in this event through your sponsorship investment.**

Why align your brand with The Food Trust?

- **Connect with key markets:** The Food Trust's supporters span generations and include families, foodies, healthy eaters and green consumers.
- **Build customer loyalty and trust:** Sponsoring Fresh Picked demonstrates your company's commitment to the local food system, community health and nutrition, sustainability, and economic development.
- **Communicate key messages:** Our skilled communications team will help you tell your company's story to The Food Trust's large and loyal following.

About The Food Trust

Founded in 1992, The Food Trust works with neighborhoods, institutions, retailers, farmers and policymakers across the country to ensure delicious, nutritious food for all. Backed by three decades of research and evaluation, our holistic, community-centered approach to nutrition security weaves together three core programming elements — access, affordability and education — as well as a focus on advocating for public policy solutions.
